I think Thank a Teacher Day is a fabulous idea, and one of the teachers I want to thank is Mr Cooper.

When we were in Y7, you arranged a meeting, for me and my friends to talk to Mrs Grewal-Joy to talk about our ideas to make the school more friendly to nature. We have not yet got very far with the project, but I thank you for letting us talk to her and start it up.

I also want to thank you very much, for the positive messages and information that you put in the daily announcements, as they are very uplifting and are a good start to the day.

I feel like you deserve many 'thank yous' because you are making sure everyone is ok, and you always have a way to help people.

Thank you Mr Cooper, from Mia Sanderson Y8

Dear all the Teams at Meadowhead and Norton Free

A big thanks to you all from all of us for all you are doing to continue to support Lucy and Katie in their general learning and for being there ready to support in whatever other way is needed. Your job is undoubtedly harder than ever in these weird times; thanks for all your expert guidance to us home-schooling novices! I hope you get to rest at least a little over half term.

Kind regards

Anna Hallam

Mum of Lucy Hallam 8F and Katie Hallam Y5.

I really wanted to take part in Thank a Teacher Week, as there are many amazing teachers at Meadowhead.

One of the teachers I would like to thank is Ms Parra. You are such an amazing teacher. Before Coronavirus, all of our lessons were fantastic. You always managed to find a way to get everyone involved, and enjoying the lessons. I really miss having lessons with you on a Tuesday and a Friday.

Even though we cannot be in school right now, the online lessons are really good. All of 8A misses our lessons, I'm sure of it. Thank you for being such an amazing teacher Ms Parra.

Hope you are having a good time in these circumstances,
from Mia Sanderson Y8

Please may my husband and I say a huge thankyou to every teacher at Meadowhead school who has taught our daughter Sienna Turner in 7C.

Thankyou for giving her a wonderful transition from junior to secondary school, giving her a lovely experience of secondary school and all being there when she needed you, but more importantly being here for us this last 9 weeks.

You have supported us wonderfully during these strange times we have felt truly provided with all the work required in a very well organised easy to use manner and the feedback for Sienna has been priceless.

Knowing she is still being rewarded with her r1 and r2s so her work is being recognised makes her smile and gives her the encouragement to keep working hard at home.

Geography: Mr Chambers "the Rock Man" who even I'm enjoying geography this time round (it wasn't my favourite subject at school)

English: Miss Simms, we have chuckled doing English maybe it's the word or name 'Bottom' - never something that's far away for me as a nurse but we've been enjoying our Shakespeare - wish I'd had an English teacher like you.

From Caitie Kelly's mum (Y7)

Art: Miss Crump: You gave us a new relaxing normal for Sundays sitting colouring or drawing stuff together - thank you and thank you also for giving Caitie the boost with her fantasy owl - she was choked up to be on the school website with her art :)

Drama: Miss Brownett: Caitie sometimes says she feels bonkers at the stuff they do in her drama classes as she demos it to me and we chuckle. I actually think drama helps her massively with confidence -something really important for everyone as is having a chuckle so thank you :)

To Mrs Smith and Miss Dixon and Caitie's form teacher - you are all 3 of you amazing, always there when we need someone and utterly committed to the health, well being and education of the children. It really means a lot so thank you all and especially to Mrs Dixon for your support when I've popped into school - you're an amazing lady :)

There's something with all Caitie's teachers which makes them absolute stars to me so thank you one and all .

Tech Dept Teachers: ooh those recipes have been great - love the WW2 scones but my favourite has to be the cheesecake. I feel my fridge will forever have one freshly made in it and I might need slightly larger trouser before I'm out of lockdown, but hey.

Sport/ Health, Fitness, Wellbeing: Trying to take our once a day - will try harder :)

Ethics: Mrs Brewer and Miss Lane. What can I say! We have had some good debates on the subjects set while Caities been home all interesting stuff and vital at time like these to teach our children and remind us all of what's truly of value, thank you.

Languages: Mr Jones - well I did German at school, sadly it's not coming back to me, but I've enjoyed realising you have taught Caitie well and she's already way better at languages and loving the subject much more than her science brained mum - thank you!
