Terms and conditions

Andrew Dressler will provide 33 lessons over the 39 week academic year. The number of lessons will vary from term to term and there will be an opportunity to pay for additional lessons to continue up to the end of the summer term if desired.

Andrew Dressler is unable to provide refunds for any reason except for his absence and only at the end of the academic year. Lessons missed by pupils due to exams, school trips, short term illness etc. cannot be made up or refunded.

Payment will be in advance of the start of each term/year. If payment is not received your child will not be placed on the register and lessons will not be given.

Children will be required to come out of class during the school day for their lessons and it is expected that children will catch up with their learning in ways appropriate to the class teacher and the school.
