Personal Study Time

BTEC Level 3 students are expected to devote as much time outside the classroom to their studies as in lessons. You will be given significant amounts of homework on a regular weekly basis. The nature of this work will depend on the topic being studied but will always be given in order to reinforce the work covered in class and will often form the basis of assignment work.

Progression

BTEC Nationals are designed to provide highly specialised work related qualifications in a range of vocational sectors. This course will give the students the knowledge, understanding and the skills that they need to prepare for employment. The qualification also provides development for students to go onto higher education, degree or professional development programmes.
