

<p>Edward the Confessor died in 1066 with no heirs, leaving a disputed succession. William of Normandy defeated Harold Godwinson at the Battle of Hastings. 1066 saw monumental change in English history. The invasion of the Normans ended 500 years of Anglo-Saxon rule, and led to a new phase of English history. Historians like Schama have said that the Normans brought a “truckload of trouble” to England.</p>		Chronology: what happened on these dates?		Vocabulary: define these words.
