Das macht Spaß
That is fun

total
(totally)

ziemlich
(quite)

sehr
(very)

ein bisschen
(a bit)

lustig
fun

langweilig
boring

interessant
interesting

gut
good

Common misconceptions:

In German, when saying what you can do, the first verb (kann) sends the second verb to the end of the sentence. This is an example of a modal verb

Man kann ins Theater gehen

You can to the theatre go

This is different to English as we say
"You can go to the theatre"
