

Who are CAPA College?

CAPA College provides full time Arts training and education for students aged 16-19 and aims to inspire, train and educate the next generation of performers, creatives, designers and technicians.

CAPA College's team of top professional teachers, directors, choreographers, musical directors, designers and technicians alongside industry standard facilities ensures that CAPA College delivers the highest quality training, education and pastoral guidance to support talented students who are serious about pursuing a career in the Arts.

Since its formation in 2006, CAPA College has developed a regional and national reputation as a centre of excellence in the Arts with consistently 'Outstanding' judgements from Ofsted, excellent exam results, exceptional student progression routes and critically acclaimed, award-winning performances.

The Future of CAPA College

In 2021 CAPA College will undergo the next major stage of its development as it opens the doors to its new, permanent home on Mullberry Way, Wakefield (opposite Wakefield Westgate train station).

This new, multi-million pound facility was purpose-built expressly for CAPA College and will enable the college to expand its intake. As the gateway to Wakefield, CAPA College will offer more opportunities, more facilities and more support to talented and creative young people from across Yorkshire and the North of England.

The CAPA College Course Pathways

Dance

The Dance: Contemporary and Commercial course pathway provides students with intensive, professional dance training to develop their skill set, creative approach and awareness of Dance and the Arts. Over the two-year course students will study a broad and balanced Dance curriculum before honing their skills, interests and expertise. Students will achieve the equivalent of four A levels.

Drama

The Drama: Stage and Screen course pathway encompasses everything from acting, directing and devising theatre to scriptwriting, improvisation and physical theatre. Students will receive extensive directed contact time through a programme of technical training, creative development, directed performance and theoretical application from CAPA College's specialist teaching team plus regular masterclasses from the UK's leading Arts professionals and companies.

Performing Arts

The Performing Arts: Musical Theatre course pathway offers exciting, all-round Performing Arts training providing students with versatility in terms of their skill set. Students will gain the equivalent of four A levels with the curriculum divided between dance, drama and singing practical and academic training. With a focus on Musical Theatre, the curriculum covers commercial and contemporary dance, acting and performance and both solo and ensemble singing.

Production Arts

The Production Arts: Theatre, Film and Media course pathway provides training and education for students wishing to pursue a career in Design, Technical Theatre, Media or Production. The course offers a broad range of training in all aspects of theatre, film, events, design and media. Over the course of their studies, students will learn a wide range of technical skills from set construction, make-up and prosthetics to sound recording, lighting operations, photography, digital video production and animation.
