

UTC Sheffield City Centre, specialising in Engineering and Creative and Digital, is a purpose-built £9.9-million-pound college located in the heart of Sheffield's creative and digital industries sector. It is close to the main rail and bus transport hubs, as well as UTC sponsor Sheffield Hallam University. The school opened in 2013 and the first set of graduates emerged in 2015 with excellent results.

At Key Stage 5, students study **a Level 3 technical qualification** ("Our Specialisms") **alongside one, two or three A Levels**, depending on a student's ambitions.

The specialisms offered are: **Engineering and Advanced Manufacturing, Creative and Digital Media**

### **A Level Options:**

- **Fine Art**
- **English Language**
- **Maths**
- **Further Maths (if you are taking Maths)**
- **Photography**
- **Physics**
- **Product Design**
- **Level 3 Core Maths**
- **Level 3 Extended Project Options**
- **GCSE English, Maths and Science resits**
