

Y6-7 Transition Summer Book Task

As part of your journey to starting at Meadowhead in September, we would like you to imagine you are packing a suitcase, inspired by a book you have read:

- Choose and read a book
- Pack your suitcase with at least 3 objects – you can draw these, or cut them out from a magazine or something you have printed and stick them on the picture below.
- Label each object explaining why it is important to the story.

Tips - think about the important themes, key characters, significant events and the setting.

For example, a Book Suitcase based on *The Lion, the Witch and the Wardrobe* could include; **A wardrobe** (ordinary things can lead to something special). **A snowflake** (Narnia is always cold because of the White Witch's power). **A crown** (the children were brave, and became the kings and queens).

Bring your suitcase to the library in September and get an **R1**
