Dear Parents and Carers,

RE: Face to Face Teaching

As you know the government has revised the staggered start for secondary students in response to increasing COVID-19 infection rates in many parts of the country, and to provide schools the time to introduce testing. School is open for all children who largely fall in the following groups:

- Eligible for free school meals now or have been in the last six years
- If they have high needs
- If they have an EHCP
- If they are known to social care
- Young Carers

Your child is expected in school tomorrow to follow their normal timetable. If they currently have a modified timetable they will need to keep to these timings unless they have been told otherwise by their Head of Year. This is a great opportunity to make up for all missed learning due to the pandemic over the last nine months, as children will be taught in smaller groups by their normal teacher.

It is important that students attending school are fully compliant with all safety measures and they do not attend if they have been contact traced or are showing symptoms of COVID-19. All students in school are required to be in full uniform. Entry into the school building in the morning is via the same door as last term.

Finally, if you need to make further contact with the school please do so using the email address above or the relevant year group email address e.g. Y7@meadowhead.sheffield.sch.uk

Thank you for your continued support and understanding.

Yours faithfully,

Mrs K Grewal-Joy
Headteacher
