Dear Parents/Carers

RE: Year 7 and Year 8 Grouping

As you are aware, we have been teaching Year 7 and 8 groups in form groups. This was to enable us to minimise movement and, thereby, ensure a safe return to school for everyone. We are satisfied that our systems are robust and therefore, we can make some changes.

As from Monday 19th October, we are introducing sets in Maths and Languages for Year 7 and 8 students. All other subjects will continue to be taught in mixed ability form groups. Your child will be informed of their new group by their subject teacher. Year 7 Music and Drama lessons, which have currently been in classrooms, are going to be taught in specialist rooms from after half term.

We will continue to ensure that movement round school is carefully monitored and that safety standards remain high. When students are taught in classes away from their home corridor, they are escorted by a teacher.

We believe these changes should enhance the learning experience for your child whilst maintaining strict adherence to the health and safety guidelines.

If you require any further details, please contact me.

Yours sincerely,

Tamsin Woodward
Deputy Headteacher
