

## Y11 English Intervention – Walking Talking mock for English Language Paper 2

If you were unable to attend the Walking Talking mock in English due to self-isolation, today's session has been recorded so that you can access the materials from home.

Please be advised that the session is around 90 minutes long. You will need to download the exam materials:

[INSERT - GCSE ENGLISH LANGUAGE – Paper 2 Writers' viewpoints and perspectives](#)

[GCSE ENGLISH LANGUAGE – Paper 2 Writer's viewpoints and perspectives](#) (paper)

[Paper 2 - simplified format \(condensed to one page\)](#)

The insert booklet contains the sources for the exam and the question paper has been included in full format as well as a condensed document.

You do not need to print these documents. You do, however, need to be able to view the documents on screen. We would advise you to complete the tasks in the same way that you would have done during the intervention, either by hand or on a computer.

We hope that you find these resources useful for your revision.

Best of luck for your mock examinations.
