**RE: Y9 Virtual Options Evening**

Dear Parent/Carer

As part of the process of helping your child decide on their option choices for years 10/11, we are holding a virtual Options Information Evening on **Wednesday 20th January, 6pm-7pm.**

The evening will begin with some presentations where we will explain the options process, offer insight into progression routes and explain how choices will affect future pathways. There will also be a question and answer session with Ms Woodward (Deputy Head) and Mrs Evans (our careers advisor). To access the virtual event please visit <https://mhsch.uk/y9options>, where there will be a link to the live event, which is being hosted on Microsoft Teams.

You will then have an opportunity to find out about individual courses through the subject videos on the website. We have published the Key Stage 4 Courses booklet to help your child make their option subjects choices. This can also be accessed at <https://mhsch.uk/y9options>.

If you have any queries about the Y9 options process, please email [y9options@meadowhead.sheffield.sch.uk](mailto:y9options@meadowhead.sheffield.sch.uk).

We look forward to you and your child's attendance at the evening.

Yours Faithfully

Tamsin Woodward  
Deputy Headteacher
