13th August 2021

Dear Parents/Carers,

I hope this letter finds you and your family well.

I am pleased to say that the A-Level, GCSE and BTEC results process has gone smoothly this year. Our congratulations and best wishes goes out to all students receiving results this year. We must not lose sight of the exceptionally challenging circumstances in which these students completed their courses. Their achievements and successes are truly well deserved.

Our plans for the staggered start in September were shared with all parents by letter at the end of term in July. If you missed the letter, then you will find a copy of it on the school's website by following this link: [Letter to Parents RE: September Start Arrangements](#)

Sheffield have relaunched a Getting Back to School Safely Campaign this week in line with the government guidance. The dedicated webpage www.sheffield.gov.uk/BackToSchoolSafely is now live. It provides information and advice for parents/carers, which you may find helpful ahead of the new academic year starting.

Please find attached a copy of the home school agreement to strengthen the partnership between home and school. I would also like to bring your attention the school dress code which was discussed with students at the end of term. Some of the uniform relaxations introduced during the pandemic have been lifted and a harder line with uniform and presentation will be reinstated in September. Policies are available on the school website using the following link - <https://mhsch.uk/policies>. Please take the time to read the all documents referred to in this letter so that your child has a successful start to the academic year.

We look forward to welcoming all students in September, especially those in Year 7 and Year 12 who will start the academic year with an induction day on Monday 6th September. We will continue to work hard to keep our school community as safe as possible, and with your support do all that we can to try and avoid the spread of COVID-19 in school. As always please do not send your child to school if they are showing symptoms and take a PCR test if advised to do so.

In the meantime, please give your attention to the important information attached regarding school policies and expectations for September 2021.

With very best wishes

Mrs K Grewal-Joy
