This week was a fairly busy week down in the PE department with the Y8 boys' rugby team having their first fixture against Silverdale, both Y7 and Y8 netball teams having games and 3 of our boy's football teams having matches. Here is a roundup of the results:

- The boy's football team had the 4th round of the National Cup away at Lady Manners School. The students got off to a great start, leading 2-0 in the first half! In the second half, Lady Manners were kicking down the slope and ended up pulling it back and winning 3-2! A great effort from the Y7 boys.

Year 10:

Year 8:

- The year 8 boys had an opportunity for their first rugby match of the year against Silverdale on Monday night. 15 players represented the school in a highly entertaining and well-balanced match that had 9 tries each by time bad light stopped play after 50 minutes. Daniel led the team with Finlay and Jacob supporting with previous playing experience ably supported by a fantastic team performance. New comers to the team Hugh and Dylan, were outstanding.

Training will start again in the new year with more fixtures and tournaments to follow.
