Dear Parents/Carers,

RE: COVID-19 and HPV Vaccinations

The 0-19 NHS Vaccination Team will be providing **first and second doses** of COVID-19 at school on 03/02/22 and 04/02/22. To be eligible, your child must be aged 12 to 15 years of age on these vaccination days.

The main purpose of the COVID-19 school vaccination programme is to provide protection to the children who receive the vaccine, and may help to reduce transmission of COVID-19 in the wider population.

Please indicate consent by completing the form handed to your child. This must be a paper copy and returned to your child's Pastoral Manager **before 28/01/22**. The NHS Team will know who has received their first vaccination, so there is no need to specify this on the consent form.

HPV Vaccinations will also be taking place for girls in Year 8 on 03/02/22 and 04/02/22. The 0-19 NHS Vaccination Team are coordinating these consent forms, if you have any issues please contact them directly on 01143053230, or scn-tr.sheffielddutysn.vacandimm@nhs.net.

If you have any further questions please do not hesitate to contact myself, Rebecca Young, on 0114 2372723 ext. 672, or youngr@meadowhead.sheffield.sch.uk.

Yours faithfully,

R Young
