January 2023

Dear students, parents and carers

**Re: Options Information Evening**

As part of the process of helping your child decide on their option choices for year 10/11, we are holding an **Options Information Evening on Thursday 19<sup>th</sup> January, 4:30pm – 7:00pm.**

The evening will begin with a presentation where we will explain the options process, offer insight into progression routes and explain how choices will affect future pathways. This will be followed by an opportunity for you to speak to subject specialists about the courses on offer. We will also provide guidance on future pathways from our Careers Advisor (Cerys Evans) and some external providers.

The whole process should take about an hour. To ease the flow of people in the building, we are running the presentation three times. [Please click here](#) to book onto one of the presentations:

4:30 - 5:00pm

5:00 - 5:30pm

5:30 - 6:00pm

In addition, you can also access information on each course through the subject videos and our courses booklet on our website. This can be accessed through this link <https://mhsch.uk/y9options>
