Dear Parent/Carer

Year 10 Taster Day – College Pathway

I am writing to give information about Meadowhead School's Year 10 Taster Day, which gives students an insight into the options available to them following GCSEs. This year, the event will be held on **Wednesday 12th July**. Regular lessons will be suspended for the day while students take part in this event.

By receiving this letter, it means your child has been invited to follow the Sheffield College pathway for the day. This will involve attending a series of activities: careers session, campus tour and virtual curriculum experience to help give students an insight into college life and the courses on offer.

Invitations are based on current predicted grades, but we know that this does not take account of students' individual preferences, their own ideas for the future and the potential for most-likely grades to change. If your child is interested in a different pathway, they are welcome to request a place on the Meadowhead Sixth Form taster by contacting careers@meadowhead.sheffield.sch.uk or calling into the Careers Office outside lesson times. We hope this way all students will get an insight into their preferred pathway post-16.

On the day, students will attend school at the normal time and we will take them to and from college. Students **do not need to wear school uniform**. However, the clothes students choose to wear should be suitable for lessons and a working environment. Further details regarding arrangements and parental consent will be shared nearer the time. More information about what is on offer at Sheffield College can be found at www.sheffcol.ac.uk

Please contact the Careers team if you have any questions about this event.

Yours faithfully,

Cerys Evans
Careers Leader
