Dear Parents/Carers,

Re: Homework Clubs

I trust you are well and your child has settled well back to school. I am writing to let you know about the homework clubs we run at Meadowhead. Every afternoon, at 2:45pm, we run five homework clubs, one for each year group. Any student can attend these voluntarily and can stay for as long they need up to 3:30pm. The clubs provide a quiet space to work, with good technology and members of staff to support with any homework needs. We have found that for those students who attend homework club regularly, conflict at home is reduced. So, if you think it would help, please encourage your child to attend. The room numbers can be seen at the bottom of this page.

Homework is a key part of our curriculum at Meadowhead. We do not treat homework as an add-on, but an integral part of students' learning and homework has been shown to improve outcomes for students at secondary school. As a result, we place a particular emphasis on homework at Meadowhead and we are doing all we can to help students develop good study habits outside the classroom. If there are any further ways we can support your child with their homework, please do not hesitate to get in touch.

If you have any questions or would like to discuss this further, please feel free to contact Mr. Lawrenson – lawrensonm@meadowhead.sheffield.sch.uk.
