

Year 10 Assessment Week 1 Timetable

	P1	P2		P3	P4		P5
Mon 13 th November	X Biology	Y Biology					Option S (Hum/ Lang)
Tue 14 th November	X Chemistry	Y Chemistry					Option T (Hum/ Lang)
Wed 15 th November		X Physics		Y Physics			Option P (Hum/ Lang)
Thu 16 th November	X English	Y English					
Fri 17 th November	X Maths	Y Maths					Option Q (Hum/ Lang)

English, Maths and Science assessments are completed during a lesson in the respective subjects. For example, students in the X band for English who have an English lesson Thursday period 1, your assessment takes place then. For those in the Y band for English, you will have your assessment Thursday period 2.

Core Courses	Assessment Week Task
English	Section B of English Literature Paper 2 – Power and Conflict Poetry. 45 minutes to write one comparative essay (given poem compared with one of student's choice from the anthology). 30 marks available. All students will complete the same paper.
Maths	For both tiers it is a 50 minute calculator allowed paper. All questions are taken from past exam papers and will cover content from Year 10 and Year 9.
Science Combined	There will be 3 Science assessments in class of 40 mins each. There will be a higher tier or a foundation tier depending on the class you are in.
Triple Science	Assessments will recall knowledge from units B1 (cells and transport), C1 (atomic structure and the periodic table) and P1 (energy) that were studied in Y9. Assessments will also test on units that have just been completed in Y10 which are B3a (communicable diseases), C3 (chemical calculations) and P3 (particle model of matter).

The EBacc courses listed below will be assessed during a lesson when you would normally have a lesson in that subject, in line with the timetable overleaf.

For example, if you study French in block P, your French exam is Wednesday.

EBacc Courses	Assessment Week Task
French	Foundation Writing paper (worth 50 marks) Questions taken from all Y9 and Y10 topics covered so far Q1: Photo card description [8] Q2: 40-word essay [16] Q3: Translation [10] Q4: 90-word essay [16]
