*Title of the book:* Skander and the unicorn thief

*Author:* A.F. Steadman

*How much did you enjoy this book?* ☺☺☺☺☺ 5

*Tell us something about the story* – for example where and when it is set:

Unicorns are portrayed as bloodthirsty creatures rather than cute and fluffy.

*Who was your favourite character and why?* You can include a description of them if you'd like!

My favourite character was Scoundrels luck (a unicorn) because its described as a beautiful creature and I liked its carefree personality throughout the book although when needed it was very helpful.

*Which scene/moment in the story stayed with you the most?*

The moment when Agatha knocked on his door three times and took him to the island has stayed with me, since it was mysterious and I still don't know why he was brought there.

*Was there anything you didn't like about this book? If so, what was it?*

I didn't like some of the unicorn names, because they were a bit silly such as Arctic Swansong.

*How would you describe the story? Choose as many as you want*

Fast-paced;

*Anything else you would like to say about this story?*

Every time I picked up the book, there would be a twist and I wouldn't want to put the book down.
