

FURTHER EDUCATION AND CAREERS PROGRESSION ROUTES

Careers advice and guidance is central to everything that we do in our Sixth Form. Working closely with the school's dedicated impartial careers service, we structure our tutor time programme to ensure students are fully supported, whichever pathway they choose to follow. This document is a guide to the comprehensive support that students will receive during the two years in our sixth form.

“Students in the sixth form benefit from expert support that helps them to make decisions about their next steps.” Ofsted 2022
