Dear Parents/Carers,

I hope this letter finds you and your family well.

Firstly, our congratulations and best wishes go out to all students who have received grades this year. I can confirm that on the whole we have either improved on or matched the 2023 outcomes. I am able to share that there have not been any unexpected dips in performance which is reassuring for school leaders. Following recent media coverage about the national dip in results, it is particularly pleasing that Meadowhead students continue to perform well, above or in line with their peers nationally. Further information is available on the school website and on school social media platforms.

As we prepare for the new autumn term it is important to take time to reflect on the many successes and highlights of the previous academic year. We hope you enjoy reading the latest [Phoenix newsletter](#) which celebrates students' achievements and showcases the excellent experiences offered to Meadowhead students.

We will continue to actively seek your views to help shape school policies and will need your commitment to work with us in partnership to support your child's learning. We will then be working together to make sure your child achieves his or her potential. With this in mind, please find attached a copy of the home school agreement to strengthen the partnership between home and school. I would also like to bring your attention to key school policies which are available on the school website using the following link - <https://mhsch.uk/policies>. Please take the time to read the key documents referred to in this letter so that your child has a successful start to the academic year.

We look forward to welcoming all Year 7 and Year 12 students in school on **Tuesday 3<sup>rd</sup> September 2024** and all other year groups on **Wednesday 4<sup>th</sup> September 2024**. In the meantime, please give your attention to the important information attached regarding school policies and expectations for September 2024.

With very best wishes,
