

Lots of lovely links:

Making the Most of Your Summer Holiday

Academic

- * Revise year 12 content! Make sure you are secure in your knowledge before starting year 13
- * Make flash cards, mindmaps and other revision materials which you can use in year 13
- * Create a bank of past papers to help your revision
- * Get ahead with any coursework you may have
- * Speak to your teachers about areas of concern before we break up

Progression

- * Research and attend as many university open days as possible
- * Start searching for apprenticeships– sign up to the .gov website
- * Make sure your CV is up to date and ready to send out
- * Secure any extra work experience–particularly for those career paths that require it
- * Work on your personal statement
- * Prepare for any admissions tests you may need to take

Super & Extra Curricular

- * Read around your subject– look for blogs and magazines about your chosen subject
- * Listen to podcasts
- * Volunteer at a charity or organisation
- * Complete a 'MooC' in a subject that interests you
- * Start a new hobby that shows transferable skills

And most importantly....

Take some time to relax and look after yourself. You have made fantastic progress this year, and there will be many more challenges to face in year 13. Spend lots of time with family and friends and make some wonderful memories!
