September 2026

Dear Parents/Carers,

Re: Year 11 Parents Meeting

We are writing to you to remind you of the Year 11 Parents Meeting that will take place on **Thursday 17th September 2026** between **6:00pm and 7:00pm**.

Mrs. Hazzard has already held her first assembly of the school year, in which she discussed the key events, and laid out the expectations around punctuality and attendance, conduct, work in class and extra-curricular revision.

We have briefly covered college applications, examinations expectations, and careers advice. We have also introduced the Year 11 initiative that brings all the aspects mentioned together, our 'passport to the prom'.

The purpose of the evening is for us to share with you the key messages, to let you know what we have said to your child, and for us to give you confidence and knowledge when discussing with your child what the expectations on them are.

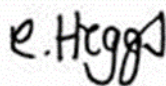

We will provide copies of the November mock exam timetables and the Summer 2027 examination timetables, so that families can begin to plan for these key events.

You will also have an opportunity to discuss with us any issues or queries you may have relating to your child and the year ahead.

Year 11 is an exceptionally important, and busy one and we believe strongly that the home school partnership is crucial in making it successful.

We look forward to working with you and your child on their Year 11 journey

Yours faithfully,

Mrs G. Hazzard
Head of Year 11Mr C. Heggs
Assistant Headteacher
