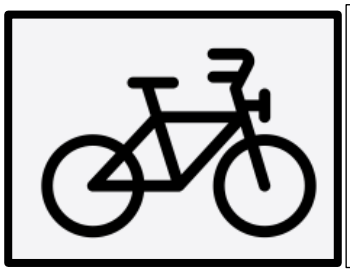
Transport to and from Meadowhead School and Sixth Form, Autumn 2026



Cycle – A large number of our students choose to cycle to school and we provide extensive cycle parking for students. Meadowhead School has Green Flag status as an environmental school.

Walk – Many students walk to school from nearby locations. New pedestrian crossings have been added to Dyche Lane. Students can enter the site from either Dyche Lane or Chesterfield Road (next to the Village Hotel, formerly Double Tree).

Bus – The school is well-connected to the Sheffield bus network, especially along the A61/Chesterfield Road and there are a range of Sheffield and Chesterfield services that stop near school. Two school buses serve the school:

725 School Bus from Bradway (0755/1505) to Meadowhead (0810/1450).

719 School Bus from Gleadless Townend (07:30/15:55) to Meadowhead (07:40/15:45).

Car – Meadowhead is easily accessible by car either North-South (along the A61) or East-West (along the Bochum Parkway). We would encourage car-sharing whenever possible.

Under Discussion – Autumn 2026:

The school has been working with the South Yorkshire Mayoral Authority to improve connectivity east-west along the ring road towards Charnock, Gleadless Townend and beyond. The school has provided a limited minibus service for some Sixth Formers from this area. Follow the school on social media for further updates.
