

Year 9 Assessment Week 1 (18th January 2027)

9A 9B 9C 9D

	P1	P2	P3	P4	P5
Mon			Science		
Tue		Maths			Science
Wed	German		Science		
Thu	History	English			
Fri			Geography		

9E 9F 9G 9H

	P1	P2	P3	P4	P5
Mon		Geography		Science	
Tue		English			
Wed		Science			
Thu	Maths		Science		
Fri			French		History

9I 9J 9K 9L

	P1	P2	P3	P4	P5
Mon				English	
Tue	Science	Geography			
Wed				Science	
Thu	Spanish	History			
Fri	Maths			Science	

Subject	Information
English	<u>'Fahrenheit 451'</u> Section A (Reading - Analytical): You will locate quotations in an extract from 'Fahrenheit 451' and write a paragraph of analysis in response to a given question. Section B (Writing - Creative): You will write an opening to a piece of dystopian fiction. 1 hour to answer both sections.
Maths	A 50-minute assessment covering topics studied since the beginning of Y9. Calculator allowed.
Science	3 assessments, each 40 marks. Topics assessed are: Biology B1a – Cell structure Chemistry C1a – Atomic structure Physics P1a – Energy: stores and transfers
French	A 40-minute listening paper, which will include content from Y9 HT1 and some retrieval of Y7 and Y8 topics.
German	A 40-minute listening paper, which will include content from Y9 HT1 and some retrieval of Y7 and Y8 topics.
Spanish	A 40-minute listening paper, which will include content from Y9 HT1 and some retrieval of Y7 and Y8 topics.
Geography	A 45-minute written paper. Section A – Key definitions from units covered in Y7 & Y8 Section B – Short answer questions closed and open questions testing knowledge and understanding. There will be one longer extended writing question and one skills question (graph/map/photograph/numeracy) for each topic. TOPICS Why are some tectonic hazards more deadly than others? Who will win the race to be Asia's next superpower?
History	A 50-minute assessment covering the Dictators and Significant Events of WWII. Use the Knowledge Organisers for each topic to revise. Students will complete a variety of questions assessing their knowledge retrieval, key words, chronology and extended writing.
Ethics	A 40-minute assessment covering Citizenship and RSHE Section A – 10 keyword/knowledge questions Section B- You will be asked to apply your knowledge to 2 scenarios
Core PE	Every 8 weeks, you will be assessed in the two different sports you have been participating in during that block. You will be assessed on three strands: Head: You're thinking and tactical/creative skills. Heart: Your character and personal traits related to that sport/activity. Hands: Your practical performance in the sport/activity.
