Subject	Information
English	‘Roots of Western Literature’ Section A (Reading - Analytical): You will locate quotations in a short piece of text and write a paragraph of analysis in response to a given question. Section B (Writing - Creative): You will write a detailed description of an image linked to one of the texts you have studied. 1 hour to answer both sections.
Maths	An assessment covering topics studied since the beginning of Y7. Non-calculator. A revision list will be shared with students and parents before the assessment. Sets 1-3 complete one 55-minute Core paper, sets 4-5 will complete two 30-minute Support papers.
Science	A 45-minute assessment with questions on: Biology – Cells and Movement Chemistry – The Particle Model and Solutions and Solubility Physics – Energy Introduction and Energy at Home
French	A 30-minute grammar and reading assessment, covering all work from Half Terms 1 and 2.
German	A 30-minute grammar and reading assessment, covering all work from Half Terms 1 and 2.
Spanish	A 30-minute grammar and reading assessment, covering all work from Half Terms 1 and 2.
Geography	A 40-minute written paper. Section A – Key definitions Section B – Short answer questions closed and open questions testing knowledge and understanding. There will be one longer extended writing question and one skills question (graph/map/photograph/numeracy) for each topic. TOPICS: How do geographers understand the world? How does the biosphere vary?
History	A 50-minute assessment covering the Anglo – Saxons and Normans. Use the Knowledge Organisers for each topic to revise. Students will complete a variety of questions assessing their knowledge retrieval, key words, chronology and extended writing.
Ethics	A 40-minute assessment covering Welcome to Meadowhead, RSHE Section A – 10 keyword/knowledge questions Section B- You will be asked to apply your knowledge to 2 scenarios
Core PE	Every 8 weeks, you will be assessed in the two different sports you have been participating in during that block. You will be assessed on three strands: **Head: You're thinking and tactical/creative skills.** **Heart: Your character and personal traits related to that sport/activity.** **Hands: Your practical performance in the sport/activity.**
