November 2019

Dear Parents / Carers

Reading Partners

Using the NFER reading test completed early last term, a number of Year 7 students were identified to take part in a weekly reading session in the LRC. This is a paired reading scheme that involves the Year 7 student reading once a week to one of our trained Year 10 Reading Mentors who will support and encourage their reading. This programme has been implemented for many years at Meadowhead and has been successful in improving our students' reading attainment, confidence and enjoyment of reading.

I am writing to you to inform you that your child has been selected as one of the students to take part in the programme. They have been informed in a meeting with me last week. The programme will run in tutor reading time.

If you have any questions or comments about the content of this letter, please do not hesitate to contact me.

Yours faithfully

Helen Lewin
