Our New Sixth Form Centre

Our new Sixth Form Centre was officially opened in 2018 by Meadowhead alumnus and first British astronaut Helen Sharman. The centre is part of a £2.4 million extension to our existing school building. It features eleven new teaching spaces equipped with the latest technology, a Common Room and social space with a café, the Sixth Form Office and private study space.

Students are also able to access sporting facilities at the newly refurbished Graves Leisure Centre as part of the school's enrichment programme. The new St James's Retail Park opened in 2018 and is available for students to access during their lunch break.
