Dear Parents/Carers,

RE: Transition and School Closure

We are writing to let you know that as per Government guidance we have now been instructed to close the school to almost all students until further notice.

Hopefully by now you will have received your transition packs with all the relevant information you require, as well as some important documents to complete and return to us. We will endeavor to keep you updated on the situation and if we are open in July we plan to run our transition days as scheduled.

With this in mind, please can you ensure that you complete the signed paperwork and return it by post as soon as possible in order for us to continue to ensure that your son/daughter's transition from Year 6 to Year 7 is as smooth as possible.

Please note that this is a national school closure – as you may have heard in the news – so while it is a challenging situation, we are not alone. We will re-open fully as soon as we can and we will let you know in order for our transition days to take place on 9th and 10th July if this is the case.

Establishing good working habits and a positive structure to the day is vital in order to keep students motivated during this challenging time. We invite you to continue to support your son/daughters home learning during this period of school closure in order to prepare students for the transition to Meadowhead.

We wish you and your families all the best and look forward to contacting you in the future with good news regarding the school re-opening dates.

If you have any questions or would like to discuss this further please contact:

Kind regards
